Amendments to Drawings

Approval of an amendment to Fig. 3 to change reference numeral "72" to "68" is requested. The block referenced by "72" in Fig. 3 is labeled "Trade Server," which is also referenced by "68" in Figs. 2 and 3. Enclosed is a copy of Fig. 3 with the requested change shown in red.

Approval of an amendment to Fig. 2 to change "PowerMatch^{SM} Host Computer" to --Host Computer" is requested. This requested change is consistent with the proposed amendments to the specification with respect to "PowerMatch." Enclosed is a copy of Fig. 2 with the requested change shown in red.
